Explore. Learn. Imagine.

ASU Prep Digital is a customized learning opportunity integrating online high school with over 100 university courses in undergraduate majors at Arizona State University.

With ASU’s me3® mobile app integrated into curriculum, ASU Prep Digital students chart academic pathways from high school, through college to a career, based on their interests and passions. Download me3® for free from the Apple App Store and Google Play and explore your interests, your options, your future.

Welcome to ASU Open Door, the annual open house

Listed in this program are the activities hosted by ASU’s colleges, schools, programs and student groups, providing guests with a sampling of the most innovative university in the nation.

There is something for everyone. ASU Open Door is an opportunity for visitors of all ages to participate in hands-on activities, explore laboratories and innovative learning spaces, and speak directly to the faculty, staff and students that make ASU such a special place.

So come in and look around.

Each of ASU’s campuses have a unique identity and we invite you to visit all of our campus locations.

Note to guests:

- All activities operate from 1 to 5 p.m. unless otherwise noted in the program.
- Parking is free for ASU Open Door visitors in select ASU parking lots and structures. See program map, ASU Open Door app or website for locations and details.
- Public restrooms are available in all ASU buildings.
- Need assistance? Look for the volunteers with the “Ask Me!” signs or stop by the registration booth.
- Lost Child? Go to the nearest Registration booth.

Attend all ASU Open Door 2019 events

Polytechnic: Saturday, Feb. 2, 1-5 p.m.
Downtown Phoenix: Saturday, Feb. 9, 1–5 p.m.
West: Saturday, Feb. 16, 1–5 p.m.
Tempe: Saturday, Feb. 23, 1–6 p.m.
Zone B

Casa De Oro (CDOR)
Residence Hall Tours
First Floor, Lobby
We will be offering tours of our Freshmen Residence Hall, Casa de Oro! Come see this beautiful community and learn how our first-year students live! Tours will include the community kitchen, laundry room, study lounges, and a Model room.

Host: University Housing
- High school & up • Student Life

Letters to Veterans
First Floor, Changemaker Central
Join Changemaker Central as we create special, personalized letters for Veterans.

Host: Changemaker Central
- Middle school • Art/Design

3D Shapes with Geometiles™
Outdoors, Breezeway
Build simple or complex shapes with Geometiles™. Can you build all the ‘solid’ shapes? Can you build a closed shape with at least one of each type of tile? Explore the possibilities of shapes in 3D with these durable tiles.

Host: Applied Mathematics and Statistics at New College
- Middle school • Natural Science

Forensic Science Frenzy
Lower Level, Room L1-54
Discover the real science behind “forensic science” & see how forensics assists law enforcement in criminal investigations!

Host: School of Mathematical and Natural Sciences
- Elementary school & under • Natural Science

Black widows from our urban desert
Third Floor, Entryway
Kids and adults alike will be wowed by live, safely contained, black widow spiders. Staff will lead kids through the scientific process-asking questions and designing tests of their hypotheses. Undergraduate students will explain the work they do in the lab.

Host: School of Mathematical and Natural Sciences
- High school & up • Natural Science

Talkin’ Toxicology
Third Floor, Room L1-322
This is a display and discussion of some of the most famous poisons and toxicants, such as cyanide, arsenic, DDT, mercury and radioactive materials. Experts are available to discuss the sources and effects of these compounds on both people and the environment.

Host: School of Mathematical and Natural Sciences
- High school & up • Natural Science

Biomedical Research Lab Open House
Third Floor, Hallway & Lab 330
Take a tour of the biomedical research lab, hear a research pitch, view cells under the microscope, learn about the benefits of vitamin D, nutraceuticals and more!

Host: School of Mathematical and Natural Sciences
- High school & up • Natural Science

Fantastic Voyage: The Human Body
Third Floor, Room 352
Let’s take a trip inside of the Human Body!!! Cells in the microscope and bones on the table... Could you build the skeleton? Muscles, brain and eye in 3D-models; but if you wear glasses, how are they working? And for the older travelers: a preserved animal: intestines and heart... Observe and touch; but, are you alive? Sit and relax, a simple machine will register the electrical impulses of your heart Tour starts on the first floor

Schedule: 1:10pm; 1:40pm; 2:10pm; 2:40pm; 3:10pm; 3:40pm; 4:10pm; 4:40pm.

Host: School of Mathematical and Natural Sciences
- High school & up • Health & Wellness

Fletcher Lawn

The Real CSI!
Outdoors, Fletcher Lawn
Want to know some of the ways that Police Officers solve crimes? Come visit our fun booth to talk to officers and learn tools and techniques we use to put the evidence puzzle together to figure out WHO DID IT?!

Host: ASU Police Department
- Elementary school & under • Social Science

Test your Business Knowledge with Lawn “Tic Tac Toe”!
Outdoors, Fletcher Lawn
Come to W. P. Carey School of Business to test your knowledge while you are playing lawn “Tic Tac Toe” against your friends and family!

Host: W. P. Carey School of Business
- Elementary school & under • Business

Lets Get Down To Business with a Balloon Artist!
Outdoors, Fletcher Lawn
Come visit the W. P. Carey School of Business balloon twister artist. They will amaze you with your very own balloon creation!

Host: W. P. Carey School of Business
- Elementary school & under • Business

Kiva Lecture Hall (KIVA)

ASU Admission 101
1:00-2:00 p.m.
First Floor, Lecture Hall
Join us for ASU Admission 101 during Open Door. This session will guide you through the process of your college search and offer advice to find the right fit college or university. You will receive helpful information about the admission process, and get an edge in learning about scholarships and financial aid. Our experienced admission representatives will share helpful questions and tips to consider in the college search process. Come learn about the ASU student experience, and what it means to be a Sun Devil. This must attend session will help guide you on the right path to attending college.

Host: Admission Services
- High school & up • Student Life

Google Play
Sweet Talk
Outdoors, First and Third Floor breezeways
Come learn how to speak from the heart with our communication mentors and enjoy some cotton candy.
Host: CommLabASU
- High school & up • Social Science

Solar Amusement Park
Outdoors, Courtyard
Students are introduced to the world of creative engineering product design. Students choose a theme park ride that they want to build that is run ONLY by a solar panel and simple motor. As students begin by defining the problem, they learn to recognize the need, identify a target population, relate to the project and identify its requirements and constraints. They then create and test prototypes, and re-design to optimize their solutions.
Host: Tonto Creek Camp
- Middle school • Engineering

STEAM Machine
Outdoors, Courtyard
Students will work individually or as teams to build a machine based on Rube Goldberg chain reaction. The STEAM Machine is built all out of duct tape, PVC, mouse traps, wood, dominos, etc. Prizes awarded for completion of the task. The engineering design process allows participants to interconnect science, technology, engineering, arts and math (STEAM) concepts to transform simple ideas and materials into complex multi-disciplinary systems. These machines create a unique opportunity for developing hands-on learning activities that promotes an understanding of teamwork and the engineering design process.
Host: Tonto Creek Camp
- Middle school • Engineering

Edison’s Laboratory
First Floor, Room 101
Thomas Edison, “The Wizard of Menlo Park,” was a prolific American inventor who impacted the world. Take a walk through Menlo Park with the virtual reality game ASU Preparatory Academy/ASU Prep Digital created for our college prep high school students.
Host: ASU Preparatory Academy
- High school & up • Student Life

Let’s Get Down To Business in the Knight-Swift Logistics Lab!
First Floor, Room 113
Come visit the W. P. Carey School of Business in the Knight - Swift Logistics Lab to learn about the logistics side of business. W. P. Carey faculty and students will help you understand the decisions required to deliver products all over the world. Join us and foster your business spirit!
Host: W. P. Carey School of Business
- Middle school • Business

Wheel of Wellness
First Floor, Room 135
Wellness is an active process of becoming aware of and making choices toward a healthy and fulfilling life. Visit us to spin the Wheel of Wellness and win a prize to enhance your health.
Host: College of Nursing and Health Innovation
- Middle school • Health & Wellness

Experiential Health Activities
First Floor, Room 135
Meet Sammy the simulation manikin and learn first aid techniques as he experiences a “series of unfortunate events”. Learn to recognize heart and breath sounds using the same equipment our students use. Watch a CPR demonstration and practice on our manikins, then play our dice game to win supplies to build your own mini first aid kit.
Host: College of Nursing and Health Innovation
- Middle school • Health & Wellness

Chinese Language and Cultural Training for Beginners
First Floor, Room 213
Why are people all over the world learning Chinese? What is modern China about? Learn from our global experts about life in China and how to begin the project of learning Chinese. These professional language and cultural professors have trained multinational employees and foreign governments about China for over 50 years. You will have fun as you learn the basics of Chinese and discuss modern China with our experts.
Host: School of Humanities, Arts and Cultural Studies
- High school & up • Culture/Language

SDFC Backyard Games
Outdoors
Enjoy fun games provided by the Sun Devil Fitness Complex while you explore West Campus’ Open Door!
Host: Sun Devil Fitness Complex - West
- Middle school • Health & Wellness

Meet a Robot Who Wants to Play
Outdoors
Join Mary Lou Fulton Teachers College as we spark imaginations and inspire tomorrow’s educators — with robots. Guide a Sphero robot through an obstacle course, learn to program it and experience the power of deep play.
Host: Mary Lou Fulton Teachers College
- Middle school • Art/Design

Dining@Open Door

**Verde Dining Pavilion (VRDE)**
Verde Dining Pavilion
9 a.m. – 3 p.m.; 4:30 – 7 p.m.
Verde Dining Pavilion provides an All-You-Care-To-Eat dining experience. Everything, from personally carved roast beef and grilled steak enchiladas to freshly baked breads, is prepared right before your eyes.

**P.O.D. Market**
10 a.m. – 12 a.m.
The P.O.D. Market combines the corner store with the style of a modern market, featuring grab 'n go dining options for any time of day and traditional essentials found in a convenience store.

**Jamba Juice**
10 a.m. – 11 p.m.
Jamba Juice smoothies are made with ingredients so classic, these blended-to-order masterpieces include all of your favorites: real whole fruit and 100% fruit juice. Located inside the P.O.D. market.

**Papa John's Pizza**
11 a.m. – 7 p.m.
Piping hot personalized pizza covered in delicious toppings, breadsticks and hot wings for you to enjoy! It doesn’t get any better than Papa John’s! Located inside the P.O.D. market.

**Fletcher Lawn**
**Maui Wowi**
1– 5 p.m.
Fresh Hawaiian smoothies, gourmet Hawaiian coffees and cocoas.

**The Quad**
**Pura Vida Grinds**
1– 5 p.m.
Taylor Mall
Costa Rican coffee cart. Premium espresso drinks, hot or cold. Infused teas, lemonades, sodas and Costa Rican inspired chocolates and snacks.

**Fletcher Library**
**Starbucks**
10 a.m. – 5 p.m.
Stop by Starbucks for refreshing drinks and freshly baked goods!
