Welcome to Night of the Open Door, Arizona State University’s annual open house

Listed in this program are the activities hosted by ASU’s colleges, schools, programs and student groups, providing guests with a sampling of the most innovative university in the nation.

There is something for everyone. Night of the Open Door is an opportunity for visitors of all ages to participate in hands-on activities, explore laboratories and innovative learning spaces, and speak directly to the faculty, staff and students that make ASU such a special place.

So come in and look around.

Each of ASU’s campuses have a unique identity and we invite you to visit all of our campus locations throughout the month of February.

Note to guests:

• All Activities operate from 4 to 9 p.m. unless otherwise noted in the program.
• Parking is free for Night of the Open Door visitors in select ASU parking lots and structures. See program map, Night of the Open Door app or website for locations and details.
• Public restrooms are available in all ASU buildings.
• Need assistance? Look for the volunteers with the “Ask Me!” signs or stop by the registration booth.

Night of the Open Door is included in the Devils on College app!

Download today!

ASU Night of the Open Door is a Signature Event and ASU is a Foundational Partner of the Arizona SciTech Festival.

My First ASU Selfie
Patio

Explore the many ways to get involved and active. Join Student Engagement and take your first late night college program selfie. Grab a friend or family member and flash your best smile with our custom #FutureSunDevil photo frame on campus through Educational Outreach & Student Services.

Host: DPC Dean of Students

Tailgate Games
Patio

Come hang out and play fun games like Giant Checkers, Giant Chess, Giant Connect Four, Giant Jenga and Corn Hole.

Host: DPC Dean of Students

AISSS Empowering to Engage for Excellence
Lower Level, Room L1-32

Participants are invited to engage in a painting activity surrounding the theme, “Uniting Indigenous Nations.” All art pieces created will be showcased and used as décor for the new AISSS@Downtown Phoenix site. Students and staff will engage in dialogue with others regarding their experiences as Native Sun Devils in the Downtown Phoenix community.

Host: American Indian Student Support Services

Westward Ho
Collaboratory on Central

Join ASU’s Center for Child Wellbeing and Center for Applied Behavioral Health Policy to learn more about the work being done in the clinic and the history of the Westward Ho. In the Collaboratory on Central, ASU students work in an interdisciplinary services center gaining real-world service learning while enhancing the quality of life and functioning of individuals and communities experiencing poverty, homelessness, undetected and untreated health conditions including mental illness and substance use disorders, and disproportionate engagement in the criminal justice system.

Host: Center for Child Wellbeing and Center for Applied Behavioral Health Policy

• Social Science
Cronkite/8 (CRONK)

Make Headlines and Earn Your Press Badge!
First Floor, Room 121

Earn your Junior Reporter Press Badge and learn how to interview people at this fun activity! The veteran journalists from the ASU Now team will teach students the basics of getting the facts and putting together a headline and intro, and then participants will get to test their new skills with a variety of ASU experts as their subjects. After their interview, students will write it up on vintage typewriters and an editor will give it the OK. If they meet their “deadline,” students will walk away with their official ASU Now press badge!

**Schedule:** 4:00 p.m., 4:30 p.m., 5:00 p.m., 5:30 p.m., 6:00 p.m., 6:30 p.m., 7:00 p.m., 7:30 p.m., 8:00 p.m., 8:30 p.m.

**Host:** ASU Now

---

**Innovation Day: Virtual Reality**
Second Floor, First Amendment Forum

See virtual reality experiences that transport you into another world. Experiences include a journey through an expansive desert and the exploration inside a human cell. Also discover how immersive videos are being used for news. The cell experience is courtesy of the Center for Education Through eXploration (ETX), and the desert experience is from the School of Arts, Media and Engineering.

**Host:** Walter Cronkite School of Journalism and Mass Communication

---

**Innovation Day: Beam into a Robot**
Second Floor, First Amendment Forum

Now here’s a photo opportunity! Drive a robot with your face on it. This “virtual presence device” allows you to be somewhere without actually being there. Test out the Beam Pro from Suitable Technologies.

**Host:** Walter Cronkite School of Journalism and Mass Communication

---

**Innovation Day: Fly a Drone**
Second Floor, Room 202

This is your chance to fly a drone, but don’t forget to wear your safety glasses! See how drone journalism is developing, and how drones can get footage available in no other way.

**Host:** Walter Cronkite School of Journalism and Mass Communication

---

**Innovation Day: Master Your iOS Devices**
Second Floor, Room 256

Drop in on rotating tutorials to get the most of your digital devices.

**Host:** Walter Cronkite School of Journalism and Mass Communication
Innovation Day: Classroom of the Future
Third Floor, Room 355

Sony’s new classroom technology enables teachers to interact with students in a new way, using both screen displays and phones. This new learning platform, Vision Presenter, makes efficient, interactive presentations and teaching possible — students could use it in problem-solving exercise, working in competing groups or each taking on a different piece of a puzzle.

Host: Walter Cronkite School of Journalism and Mass Communication

ASU & Arizona PBS KIDS Trivia
Sixth Floor, Studio A

Answer trivia questions about ASU and Arizona PBS KIDS. If you answer correctly, you win a spin of the wheel and a prize. Prizes include Clifford, PBS KIDS ebooks and DVDs, children’s books, stickers, etc.

Host: AZ PBS

Sliders, Pulls, and Bracelets
Sixth Floor, Studio A

Come by and create a zipper slider or pull, or a bracelet. Use colorful beads to spell out ASU, your name, or your favorite PBS character!

Host: AZ PBS

Put Your Feet Up & Enjoy PBS KIDS
Sixth Floor, Studio A

Stop in Arizona PBS Studio A to rest your feet and watch a few of your favorite PBS KIDS characters on the big screen.

Host: AZ PBS

Photo Opportunities with PBS KIDS characters
Sixth Floor, Studio A

Angelina Ballerina, Super Why, Big Bird, Bob the Builder, Daniel Tiger, Thomas the Train cardboard cutouts are here for photos. Come by and capture some expressions with your friends and family.

Host: AZ PBS

Discover PBS Anywhere
Sixth Floor, Studio A

Explore the world with your fingertips at the PBS Anywhere Pop-Up Lounge. Get a front-row seat to PBS activities and programs on a variety of devices. Need a quick recharge during the Open Door fun? We’ll share fun games and series while you rest your feet. Take a virtual adventure with Wild Kratts, Super Why and Nature Cat, or solve cases with Odd Squad, while at home and on the go — all for free! The first 50 people to arrive at our PBS Anywhere Pop-Up Lounge will receive a free PBS shirt.

Host: AZ PBS
University Center (UCENT)

Create Your Story
Lower Level, Library Vault
Opportunities are endless when you create your own story. Gather a group of friends and family and create your own enchanted adventure or voyage playing story dice. Everyone will have the opportunity to create their very own story dice to take home.

Host: University Libraries

You Have a Minute to Win It!
4:30 – 9 p.m.
First Floor, Room 162
Join Barrett, The Honors College for a series of games using every day objects. Test your skills, challenge a friend, and learn about the nation’s number one honors college.

Host: Barrett, the Honors College @ Downtown Phoenix

Action, Advocacy & Arts - Community Arts Exhibits
Second Floor Lobby
Action, Advocacy, Arts program will highlight our spring semester community art exhibition called “Oh the Places You’ll Go”. The visual arts very often provide a manner for artists to dream, to imagine, and to record. The exhibit looks at past journeys and accomplishments and allows community artists to imagine those to come as each of us sets off into the world. We love to envision where we are going, to wonder and wander, and to record where we have been. This exhibit will celebrate those journeys taken and those that are still to come.

Host: College of Public Service & Community Solutions

Unleash the power of lifelong learning!
4 – 6 p.m.
Second Floor Mezzanine
The Osher Lifelong Learning Institute at ASU provides university-quality learning experiences for adults ages 50 and over through: diverse short classes, campus-based learning opportunities, and pathways to public service. Stop by our table to learn about how you can get involved and how you can register for exciting classes this Spring! Visit https://lifelonglearning.asu.edu/ for more information about ASU’s Osher Lifelong Learning Institute.

Host: Osher Lifelong Learning Institute

Solutions for Arizona Communities
Second Floor Mezzanine
College of Public Service & Community Solutions is committed to transforming communities. Stop by our informational booth to learn more about our degree programs and to share your personally-crafted solution for Arizona communities in the following focus-areas: community development, health care, infrastructure, environment and water, education, young talent, civic engagement, job creation.

Host: College of Public Service & Community Solutions

ASU Public Service Academy
Second Floor Mezzanine
Meet student leaders from the first undergraduate Public Service Academy. They are part of a unique program that brings together students from all majors in the university—ROTC and the Next Generation Service Corps—who train side-by-side throughout the four-year program.
They are tackling complex challenges like hunger, homelessness, global warming that require collaboration toward a common goal. Want to be a part of this? Learn more first hand.

**Host:** College of Public Service & Community Solutions

---

### The Responsible Traveler

**Second Floor Mezzanine**

When you travel, how do your choices of activities, dining, shopping and accommodations affect the environment, economy or local culture? Test your knowledge with an interactive game hosted by the ASU Center for Sustainable Tourism. For more information about the ASU Center for Sustainable Tourism, please visit: [https://scrd.asu.edu/sustainabletourism](https://scrd.asu.edu/sustainabletourism)

**Host:** Center for Sustainable Tourism

---

### Be a Part of the Solution

**Second Floor, Room 286**

Interested in making a difference in your community and the world around you? If so, then you may want to consider a degree in public service. Stay in the know about ASU Downtown Phoenix campus and the College of Public Service and Community Solutions. Watch our short videos to learn more about ASU and to hear from current students.

**Host:** College of Public Service & Community Solutions, School of Social Work

---

### School of Social Work - Phi Alpha Honor Society

**Second Floor Mezzanine**

Phi Alpha, Theta Tau Chapter, is the National Honor Society for ASU Social Work students. Through membership, students have the opportunity to learn more about the profession, get involved with humanitarian activities, and explore career choices for the future through networking with social workers in the community. Phi Alpha will host a prize wheel and share information about careers in social work.

**Host:** College of Public Service & Community Solutions, School of Social Work

Westward Ho

**Sustainability Central**
students about why they chose a degree in public service.

**Schedule:** 4:15 p.m., 4:45 p.m., 5:15 p.m., 5:45 p.m., 6:15 p.m., 6:45 p.m., 7:15 p.m., 7:45 p.m., 8:15 p.m.

**Host:** College of Public Service & Community Solutions

---

**Microbes: The Good, the Bad, and the Ugly**

**Third Floor, Room 360C**

Explore the microbes that live on you and in you! Learn how they can keep you healthy or make you sick. Investigate the effects of antibiotics on bacterial growth and discover how bacteria becomes resistant to them. Learn how to culture microbes safely in the laboratory, and see real microbes magnified over 1000 times their actual size! Finally, observe the effects of molds and bacteria on common food items and see how they’re used in industrial applications.

**Host:** College of Integrative Sciences and Arts

---

**How Safe Is It to Ride a Rollercoaster?**

**Third Floor, Room 371**

A mini-roller coaster lets you see the physics behind these thrilling amusement park rides. Enjoy a few other fun physics activities, including FUN FLY STICKS (levitate incredible metallic-looking shapes), FAKE PIGGY (a 3D image generated using parabolic mirrors), and see LIGHTNING form before your eyes!

**Host:** College of Integrative Sciences and Arts

---

**Who’s Hiding in the Coral Reef?**

**Third Floor, Room 375**

Search for tropical fish, colorful anemones, feisty crabs, and feathery worms in our beautiful 175-gallon saltwater aquarium. Interact with marine animals, learn about their anatomy, and explore how they respond to changes in the environment. Discover how chemistry may address the coral reef decline caused by global warming.

**Host:** College of Integrative Sciences and Arts

---

**Create Matter as a Mad Scientist!**

**Third Floor, Room 375**

In a matter of seconds, our organic chemists will mix solutions to create industrial-quality nylon threads. They are eager to assist if you would like to make them yourself! Also, explore how large-scale production could contribute to the decline of coral reefs. (Gloves will be provided, but no need to worry — our chemistry lab students use these solutions all the time.)

**Host:** College of Integrative Sciences and Arts

---

**Elephant Toothpaste**

**Third Floor, Room 379**

Watch a volcano of foam generate right before your eyes! This chemistry experiment, often called “Elephant Toothpaste,” and another called “Lava Lamp” will delight kids and kid-minded adults alike!

**Host:** College of Integrative Sciences and Arts

---

**CSI: Phoenix**

**Third Floor, Room 383**

Investigate real cadavers, organs, and cadaver plastinates; think “Body Worlds” but less dramatic and less gory.

**Host:** College of Integrative Sciences and Arts
**Getting to know your Arizona Government**

*Fourth Floor, Policy Analytics Lab*

Join us as we play an ongoing game of “Getting to know your Arizona Government” Jeopardy. You just might win a prize! The ASU School of Public Affairs’ mission is to understand and address society’s grandest challenges in public management, policy and governance. We seek to maximize our impact through rigorous transdisciplinary research, project-based education, collaborative and inclusive community engagement, experiential learning and innovative solutions.

**Host:** School of Public Affairs

- Social Science

**School of Criminology 10th Anniversary Displays**

*Sixth Floor, School of Criminology’s Office Suite*

Celebrating it’s 10th Anniversary, ASU’s School of Criminology & Criminal Justice is a nationally recognized leader in higher education and is highly regarded for its distinguished faculty and research productivity. Our program is ranked 12th in the nation by U.S. News and World Reports and our world-class faculty is engaged in cutting edge research which prepares students for the challenges of criminal justice practice in the 21st century.

Groovy Communication Game Show
Level 3, Garden Offices, Room 383

Don’t be square, join the College of Integrative Sciences and Arts for a trip to the groovy 1960s and participate in (or just watch) our version of a far-out old-school TV Game Show all about how humans communicate in 2017. Test your knowledge in our Communication Game Show on fun facts and some misconceptions about human communication in our modern era. There will be questions designed for children and ones for adults so it would be outta sight if you all come play! Get ready for some light and sound effects, and buzzers to bring out your game playing spirit.

Host: Communication
- Social Science

Beus Center for Law and Society (BCLS)

ASU Law Family Feud
W. P. Carey Foundation Armstrong Great Hall, Room 141

Survey says! Get your team together and stop by the Beus Center for Law and Society, the new home of the Sandra Day O’Connor College of Law, for an interactive game of ASU Law Family Feud. How well do you know the U.S. Legal System? Could you pass middle school social studies? Test your knowledge of legal and judicial trivia while checking out our new digs.

Host: Sandra Day O’Connor College of Law
- Humanities

Health North (HLTHN)

Blood Pressure Screening
Lobby

Community Health Center staff invite you to have your blood pressure checked and learn more about our downtown clinic. Children will receive a healthy fruit snack.

Host: College of Nursing and Health Innovation
- Health & Wellness

Make a Healthy Change Prize Wheel
Lobby

If you really want to make a change to be healthier in 2017, let’s do it together. When you share your change with us the commitment will improve your outcome and you can spin our prize wheel to win a free gift. Don’t forget to come back next year to share your success!

Host: College of Nursing and Health Innovation
- Health & Wellness

Make Your Own Moulage
Room 105

What is Moulage? It is the art of creating mock injuries and lifelike substances to provide elements of realism to healthcare training. See how our faculty and students simulate wound care and create faux body fluids. Volunteer to dress a wound and receive free recipe cards to create your own Moulage at home.

Host: College of Nursing and Health Innovation
- Health & Wellness

Simulation Experience
Rooms 101/103

Meet Sammy the Simulation Manikin and experience how nursing students use simulation technology to recognize heart and breath sounds and respond to patients’ needs. Choose from a wide array of medical props and take pictures with Sammy to share with your friends. Josefina, our SimBaby will also be on display. This infant
simulator helps train our students in routine care and critical emergencies.

**Host:** College of Nursing and Health Innovation

**Sustainability Solutions Festival**

**SRP Delivering More Than Power**

Discover how SRP is delivering more than just power by using sustainable methods to keep our energy and water supply clean. While at the SRP booth, make sure to check out their museum display showing the impact a single water bottle has on our community.

**Host:** Walton Sustainability Solutions Initiatives

- Sustainability

---

**My Community**

Imagine a more sustainable neighborhood! With inspiration from images of places that have changed over time, participants draw their neighborhood and consider what they like about it and what they would add or change. This activity encourages participants to think about how to be sustainability change agents in their community.

**Host:** Walton Sustainability Solutions Initiatives

- Sustainability

---

**Sustainability Solution: Goodwill of Central Arizona**

When you donate or shop at Goodwill, you help support our mission of fighting unemployment in Arizona. Every year, tens of thousands of Arizonans connect to jobs with hundreds of local employers after visiting our no-cost career centers. Donating to Goodwill also helps the environment by diverting more than 100 million pounds of material out of Arizona landfills each year. Visit our booth to learn about what Goodwill is doing in your community and enjoy some fun activities such as a coloring station, basketball hoop, and great raffle prizes.

**Host:** Walton Sustainability Solutions Initiatives

- Sustainability
Future Builder
Can you create a sustainable future city? The game introduces the three pillars of sustainability—society, economy, and environment—and allows participants to consider the trade-offs associated with building different things, especially the high cost and relative scarcity of environmental resources.

Host: Walton Sustainability Solutions Initiatives
• Sustainability

Creative Reinvention
Guess what these things are made of! Participants will look at different images of everyday items and try to guess what the product was made of. During this game, participants will learn about the concept of a circular economy, and see creative, clever, and surprising examples of pre- and post-consumer recycling.

Host: Walton Sustainability Solutions Initiatives
• Sustainability

High Five for the Future
Make a pledge to the more sustainable world! Participants write down something they can do to support sustainability into the future. Parents can take a picture and share it on social media with the hashtag #high5future

Host: Walton Sustainability Solutions Initiatives
• Sustainability

Systems Scramble
One change can effect everything else! This activity has each participant represent one piece of a larger system. This allows them to embody and visualize how systems are interconnected and how one small change to one piece can impact the whole system.

Host: Walton Sustainability Solutions Initiatives
• Sustainability

Water Roll
You decide where the water should go! In this game, participants allocate one of our most important and scarcest resources: fresh water. They allocate “water” to farms, factories, and homes by rolling 10 marbles down a tube. Then, they have to decide what to do if a drought took away 30% of their water!

Host: Walton Sustainability Solutions Initiatives
• Sustainability
Dining @ Night

Zone 2

Cronkite/8 (CRONK)

El Portal
4–8 p.m.
Off of Central Avenue
El Portal is conveniently located at the ASU Downtown Phoenix campus, featuring Sonoran-style Mexican food.

Zone 3

Taylor Place (TALRPLACE)

Starbucks
6 a.m.–8 p.m.
Off Taylor Street
Get your caffeine buzz on demand at Starbucks. A full line of cappuccinos, espressos, and iced coffee beverages await you.

Devil’s Greens
7 p.m.–1 a.m.
Off Taylor Street
For a walk on the healthier side, try our abundant and green all-you-care-to-eat salad bar with fresh artisan breads and homemade soups.

Chick-fil-A
10 a.m.–8 p.m.
Off Taylor Street
Fast-food chain serving chicken sandwiches, strips & nuggets along with salads & sides.

Taylor Place Market

Off First Street
Fresh delicious Asian food located at the ASU Downtown campus.

Food Truck Alley
4–9 p.m.
Taylor Street - between 1st and 2nd Streets
Enjoy dinner or a snack from the follow food trucks! Wondering Donkey, Queso Good, Tom’s BBQ, Satay. Hut There will also be tailgate games to enjoy while you are eating.
Welcome to ASU’s Night of the Open Door Passport to Sustainability. We invite you to explore the ASU Downtown Phoenix campus and discover all sorts of activities and displays that relate to Sustainability through one or more of its three “pillars” – Economic Prosperity, Social Justice and Environmental Well-being. Each of these stations will help you learn about how people like you are able to make lasting impacts within your home and throughout your community, making you a powerful change agent for our world.

You can become a Sustainability Superhero by completing this Passport with a stamp from each of sustainability pillars (at least three stamps total) from these locations listed below. Once you’ve completed the passport, come to Sustainability Central by the Food Trucks in Zone 3 and you will receive a special edition patch declaring you a Sustainability Superhero!

**Passport Locations:**

**Zone 1**

**Social: AISSS**
- Empowering to Engage for Excellence
- Post Office
- Room L1-34

**Zone 2**

**Social:**

/sustainabilitysolutions @WSSIatASU @ASU_Sustival
For an unprecedented second straight year, Arizona State University has been recognized by U.S. News & World Report as the country’s “most innovative” school, ahead of No. 2 Stanford and No. 3 MIT. ASU is where students and faculty work with NASA to develop and advance innovations in space exploration. This is where Nobel laureates and Pulitzer Prize winners teach master learners. ASU’s nationally ranked programs inspire the top-qualified graduates, according to professional recruiters and rankings services around the world. This is where next-generation innovators learn to thrive.

Among the best-qualified graduates according to employers
—The Wall Street Journal

Among the best graduate schools in the U.S.
—U.S. News & World Report
